Dear Miss Charles  
I received your Christmas card. - I am  
very glad to know you are well, - and still  
living in W<sup>m</sup> sport. - I have not forgotten  
you, or your kindness to my sister Anna -  
we are all very well, having recovered from  
severe colds - and slight attacks of the  
Influenza, - it was in a very nice form here, and  
not many deaths from it. - We have no new cases,  
The Ban has been removed -
